

SPEZIO'S DANCE DYNAMICS

CLASS PICTURES 2019

Friday, March 29 and Saturday, March 30, 2019 at the studio.

Recreational classes on Friday and Saturday will take their picture at the time listed and practice their recital routine for the rest of their class time. Dancers can wear their costume or bring a change of clothes. Competitive dancers will be notified of class changes/cancellations.

Every effort is made to keep picture day on time, your patience is appreciated should a delay occur.

Dancers should arrive **20 minutes** before their start time in full costume with light make-up on as if it were Recital day. Hair should be dressed as per their class information sheet. No bangs or wispies! Be sure you have the correct tights purchased from the studio office and the correct style/color shoes.

Please note: Parents are not permitted into the photography studios so as to remain on time and avoid confusion.

Individual & Class Pictures will be taken at the times listed below. Note that most classes can take approximately 45 min from the start time to complete both pictures.

Solo/Duet/Small Group pictures will be taken in the time slots indicated. Pictures will not be taken between groups.
